I. Written Questions and Answers:

Questions		Answers	
1.	I have a question about the pricing for tree work & hardscape repair. How does the amount that you input on the "Rate" line differ from the amount that is inputted into the the "total" column?	The Fee Schedule form requests the pricing for tree work as per tree or per stump. The hardscape items are priced per square foot, linear foot or each. Contractors should show their lump sum bid amount for each respective tree and hardscape item.	
2.	Will there be a prebid meeting for the Comprehensive Landscape Maintenance Services contract?	A prebid meeting has not been scheduled for this RFP.
